Cancellation Policy

At Worcester Dentist Group, we recognize that in today's busy world, adhering to a schedule is important in order to maximize time and meet the demands of daily life. With this in mind, we have developed a cancellation policy that is fair to both our patients and our practice.

We are committed to seeing our patients on time and respecting their time. Late cancellations (less than 49 hours notla) and failed appointments are disruptive to our schedule and other patients.

In order to maintain our schedule, we request 48 hours notice for cancellations or rescheduling of appointments. In the instance of a late cancellation (less than 48 hours notice) or a failed appointment a fee of \$50 dailes will be charged for every missed appointment. This fee may be waived if the appointment missed is rescheduled in a timely manner.

Thank You for your understanding!
